INSECT REPELLENT DIRECTIONS

FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Apply liberally and evenly over dry, exposed skin. Do not spray directly on face. Spray on palm of hand and apply to face. An adult must apply this product to children under 10. For continued protection from mosquitoes, reapply after 8 hours. Do not exceed 7 applications per day for adults, 3 applications per day for children. **PRECAUTIONARY**

STATEMENTS: HAZARDS TO HUMANS: CAUTION:

For external use only. Causes moderate eye irritation. Do not get in eyes. Use on children under 6 months of age only with the advice of a physician.

PHYSICAL OR CHEMICAL HAZARDS: Flammable.

Keep away from heat and open flame. Contains alcohol. Avoid contact with plastics.

FIRST AID

If in eyes:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye.
- Call a Poison Control Center or doctor for treatment advice.

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact 1-877-800-5553 for emergency medical treatment.

STORAGE: Store in a cool, dry place in tightly closed container.

DISPOSAL: If empty: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**RE: BullFrog® Mosquito Coast®
EPA Reg. No. 11525-76
Notification to Correct Error per PR Notice 98-10**

Dear Ms. Hollis:

Technology Sciences Group Inc., on behalf of KIK Custom Products, Inc., submits the enclosed notification to correct a transcription error per PR Notice 98-10. The following is enclosed in support of the amendment:

1. Application Form;
2. Proposed Label – redline and clean copies;

Proposed Label Changes:

In the most recent amendment, approved 02/03/2017, the text related to the flammability statement for the pressurized packaging was inadvertently copied to the liquid spray packaging. Per the Label Review Manual, Chapter 9, Section III, Table 1, nonpressurized products with a flash point between 20-80°F typically include a statement similar to “**Flammable**. Keep away from heat and open flame.” The enclosed label notification corrects the transcription error and

removes statements for the liquid spray packaging that are only relevant to the pressurized packaging.

Please do not hesitate to contact me with any questions or comments.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jacob S. Moore', with a stylized, cursive script.

Jacob S. Moore
